My dear Mr Belden

I take pleasure in introducing to you Miss Gibson as an applicant for the position open in the Library.

While Miss Gibson has not had any experience in this line I understand that she is very competant and a good worker.

Will you kindly talk with her regarding the matter.

My dear Mrs. Dawson

In regard to the contents of your letter of yesterday – It will give me much pleasure if I can be of any assistance to you in your quest for a young woman librarian of course as you know I dislike the women in my search – However Pratt Institute I believe makes a specialty for women librarians Mr. Stevens – phone Prospect 2796 – he can give clear information on that point – I am quite sure you can get one for 50.00 and then the State Library at Albany I believe has many young women – James I. Wyer Jr. is the Director of the Library and a very fine + courtesy young man if you care to write him – of course you would get the best from him but you might have to go to Albany to look your party over – this is a good time to hunt an ~~good~~ librarian as I believe they graduate in June – If I can help you any further do not hesitate to call upon me my truly yours
